R/S Control Valves by Todd Mestker

Location/time: Jim N Nick's BBQ – Oxmoor Road – September 2, 2010
Dinner at 5:30pm/ meeting starts at 6:00pm

Dear Chapter Members and Non Members,

Alabama RETA Chapter would like to welcome you to attend the first meeting of 2010. For various reasons, the Chapter meetings have not been held for some time, but RETA would like to reestablish the Alabama Chapter again in Birmingham, AL. We know there is an interest in the continued education RETA has to offer for operators in the State of Alabama.

National Board Member, Todd Metsker, will preside over this first kick off meeting and discuss the RETA organization, officer responsibilities, and expectations for the chapter here in Birmingham. Jimmy Patterson has volunteered to head the chapter up as President thru the remainder of the year. We are looking to make appointments for the remaining officer's positions and welcome all RETA Members to volunteer for these positions. New officer elections will take place at the end of the year.

Following our business meeting, Todd Metsker, will be prepared to make a presentation on R/S control valves.

Our Chapter will be buying all members and non members a Piggy Combo (large bbq sandwich, fries, and drink) for this first meeting and dinner will begin at 5:30pm with the business meeting starting at 6:00pm.

For more information or directions contact Jimmy Patterson at the Stellar Group in Birmingham.
You can reach Jimmy at his office at 205-942-9290 or on his cell at 205-577-7676. We look forward to seeing everyone there!! The chapter needs everyone's support!!
