

# RETA DELMARVA CHAPTER

Hello All,

I hope everyone had a great summer and that you all are ready to start out the new RETA season!

September's meeting is scheduled for Tuesday the 21<sup>st</sup> at the BAC manufacturing plant in Milford.

Since the Imeco factory was shut down in 2009, Frick condensers have been manufactured at the BAC plant in Milford, so a lot of their operations have changed since the last time we were there. As usual, the evening will start with a short business meeting at 6:30pm, then we will take a tour of the facility shortly after. The plant needs a fairly good head count, so if you intend on comingg, please let me know. I'll send out another email with more details closer to the 21<sup>st</sup>. I hope to see you there.

Thanks,

Bob Grice

# RETA Delmarva Chapter

Fishing trip - Friday August 13<sup>th</sup>.

We are going on the exact same boat as last year out of Fisherman's Wharf in Lewes, the Adventurer II (<http://www.fishlewes.com/fishingreport.html>). I know last year we left at around 12 or 1 but they said this year it has to be from 2:00pm – 6:00pm. Just like last year RETA will pick up the cost of the trip and lunch for everyone. The only thing we ask is a \$20 donation to help out. You can rent fishing rods for I believe \$7 but I suggest bringing your own. I'm sorry to those of you that can't make it on that date, but the majority of people can make it on the 13<sup>th</sup>. If you plan on coming please send me an email to confirm so I can get a final head count.

Thanks,

Bob Grice, P.E.

# RETA DELMARVA CHAPTER

Hey Everyone!

Sorry this is coming out so late again, but our final meeting before the summer break is scheduled for:

Tuesday, May 18, 2010 – 6:30 pm

Our fearless Chairman Andy Nowak is going to give his long awaited presentation on “Extending the Life of Your Condenser with Best Practices of Water Treatment.” The meeting is going to be held at the Allen’s Corporate offices in Seaford, in the green residential building. I hope to see you all there.

Thanks,

Bob Grice, P.E.

# RETA DELMARVA CHAPTER

Hello All,

I have some final details on the RETA sporting clay shoot. We are on the schedule to have it at 1:00pm on Friday April 30<sup>th</sup> at Delmarva Sporting Clays in Mardela Springs, MD with a rain date set for May 7<sup>th</sup>. The cost will be a \$20 donation for RETA members and a \$25 donation for non RETA members. Feel free to invite whomever, just let me know so I can get a final head count. Your donation will get you 50 shots broken up into several different stations. I put Frank in charge of making sure they give us a variety of shots. The thought is to break up into groups of 4-5 people to keep things moving. The shoot itself will take place at 1:00pm and we will have a cookout and drinks afterward along with prize giveaways. Gun rentals are available for \$10 but please bring your own ammo.

Below is a list of people who have shown interest after the first email. If you are not on the list below and are interested in possibly going let me know so I can get you on the list. After this email I am only going to contact those people on the list below. It should be a great time, and I hope to see you all there.

Bob Grice  
Frank Nechay  
Andy Nowak  
John Shahan  
Josh Wills  
Scott Hevner  
Joe Tyler  
Joe Gott  
Steve Denny  
Joe Lamenza  
Maurice Batson  
Mark Herlihy (Rain Date Only)

Thanks,

Bob Grice, P.E.

# RETA DELMARVA CHAPTER

Our February Chapter meeting is officially set for February, 23, 2010 beginning at 7pm.

We are going to have a dual meeting this month. The meeting will be held at the Dogfish Head Craft Brewery in Milton, DE. The plan is to go to the brewery for a small tour and a tasting, which is always a good idea. The other main attraction will be a presentation by our fearless Chairman of the Board, Andy Nowak. He will be giving a presentation on "Extending the Life of Your Condenser with Best Practices of Water Treatment." Andy is a veteran speaker of the 2008 RETA National Convention in Hershey, PA. So please everyone come and see a living legend. Hopefully we will see you all there.

Thanks,

Bob Grice

# RETA DELMARVA CHAPTER

Hello All,

Now that everyone is hopefully getting back into the swing of things after the holiday season, it is time for our first meeting of the year.

We are going to kick off the new year with a few representatives from Old Dominion Insulation who will be coming down to give a presentation on the forgotten aspect of refrigeration, insulation. They are going to give a brief overview and explain the benefits of the different types of insulation in our industry, as well as talk about new advancements in the industry (e.g. under-insulation reactive gels for corrosion control).

**The meeting will be on Tuesday January 19<sup>th</sup> with a short business meeting starting at 6:00pm and the meeting starting no later than 6:30pm.**

Of course there will be pizza and beer provided for your entertainment. Please let me know if you are planning on attending so we can get enough food and drinks.

Thanks,

Bob Grice
