

Monthly Meeting of the Arizona Chapter of RETA

April 28th, 2010 6:00 PM

The meeting will be held at Phoenix Fire Dept. Great Room
At 150 S. 12th Street in Phoenix. That is at the corner
of Jackson and 12th Street.

Guest Speaker:

Greg Edelen

Safety Manager, Albertsons

Greg and his team organized and conducted an ammonia
spill drill involving most of the area's fire department
and hazmat teams that was very successful as a
learning tool

Thanks to Robert Sorensen from Americold for his talk on a
recent ammonia theft and leak.

**Due to Greg's schedule, the
meeting is on a Wednesday Night.
Note the Venue Change.**

**End Users! We need you! These meetings,
speakers, and safety events are for you!**

**Any questions, please call John Murdaugh at
(602) 864-1600 or (602) 763-3144**

Monthly Meeting of the Arizona Chapter of RETA

March 31st, 2010 6:00 PM

The meeting will be held at Macayo's Mexican Restaurant
At 4001 N. Central Avenue in Phoenix. That is at the corner
of Clarendon and Central.

Guest Speaker:

Robert Sorensen

Facility Manager, Americold Logistics

Robert will discuss in detail an ammonia leak they
experienced, the causes, the repair, and what they
learned to try and prevent future incidences

**Thanks to Dean Pedrotti of the PFD for his always well
attended discussion on NH3 plant inspections.**

**Robert is out of town this week, so this is
why the meeting is scheduled for next
week. It is a Wednesday night meeting,
not Thursday on April Fools Day.**

**End Users! We need you! These meetings,
speakers, and safety events are for you!**

**Any questions, please call John Murdaugh at
(602) 864-1600 or (602) 763-3144**

Monthly Meeting of the Arizona Chapter of RETA

February 25th, 2010 6:00 PM

The meeting will be held at Macayo's Mexican Restaurant
At 4001 N. Central Avenue in Phoenix. That is at the corner
of Clarendon and Central.

Guest Speaker:

Captain Dean Pedrotti

Phoenix Fire Dept. Hazardous Material Unit

Dean will update us on how the inspections and
compliance program is working and what to expect in
the future.

A MUST attend for Phoenix Ammonia Plants.

**The 3rd Annual GPASD was a success, despite the weather.
We had 207 attendees and we had good reviews by the
people who filled out the online survey.**

**Need Speakers for upcoming meetings.
Please contact any board member with
suggestions. Numbers to each member
on the retaaz.com website.**

**End Users! We need you! These meetings,
speakers, and safety events are for you!**

**Any questions, please call John Murdaugh at
(602) 864-1600 or (602) 763-3144**
