RETA TULSA CHAPTER

MINUTES

The Chapter kicked off the year on January 12, 2010.

We gathered at Bama Foods and began the meeting with introductions of our 2010 Officers. We then took a few minutes to have all of our attendees stand up and introduce themselves.

We enjoyed a quick bite to eat while Gary Bedford led us through our Chapter business meeting.

Randell Powers of the Bama Companies enlightened us with a very informative presentation of Preventative Technologies and its uses in the Ammonia Refrigeration industries.

Our next meeting will be February 9th at 6:30 p.m. We will meet at the cold storage facility and tour through their equipment room.

Thank You,
Ron Castleberry

TULSA AREA RETA CHAPTER (Officer's Meeting) – MEETING MINUTES

When: December 8, 2009 6:30 PM

Where: Silver Dollar Café - Collinsville

Attendance: Gary Bedford, JK Evicks, Keith Saplin, Ron Castleberry, Frank Griffin & Claire Harmon

Discussed the joint ASTI/RETA Safety Day in June or July. We determined that we are not prepared to financially support this and may have a problem with a number guarantee at this time – Claire will notify Susan at RETA.

Talked about coming up with a survey to mail out within our region to determine the best meeting times, locations and topics of interest etc. in hopes of boosting meeting attendance and chapter membership. Keith and Frank will work on developing the survey. Claire will pull contacts from the RTK website along with IC mailing lists.

Also talked about designing a business card for our chapter to hand out as an invitation to meetings. JK will work on the design of the card.

Want to look into getting a small “booth” for our chapter to set up at local industry related events.
